

ESI Specialists Inc. retains e-Discovery Expert Cliff Shnier as President

Toronto ON

Effective Feb 1, 2010 ESI Specialists Inc. is pleased to announce that it has retained Clifford Shnier as its new President. Shnier brings over 20 years of electronic Discovery expertise to the role with extensive work in the legal community and with Fortune 500 corporations in both Canada and the U.S.

“Cliff Shnier’s knowledge, experience and reputation precedes him and we’re very fortunate to have such an e-discovery icon to head the group” states Steve Bula, Director of Operations. “His strong commitment and views from an unbiased e-discovery perspective are available from his [e-Discovery blogs](#) and discourses over the years, and his experience with a myriad of projects will bolster ESI’s project management team.”

Shnier has a wealth of experience on both sides of the U.S. - Canadian border and has been an integral player in litigation support and e-discovery since entering the industry in the late 1980’s after having practiced law in Toronto as a commercial litigator. He has been a consultant, owner of his own service bureau, and a senior executive with major e-discovery and litigation support service providers. While Cliff will continue his US e-discovery consulting and maintain his expertise with the latest developments and trends, his main priority and focus will be as President of ESI Specialists Inc. in Canada.

ESI Specialists Inc. offers the Canadian legal, corporate and government communities comprehensive document management and litigation support services. ESI Specialists Inc. is Canadian based and owned, and offers collection and [forensics](#) to e-discovery processing and document hosting. ESI offers clients leading edge methodologies to reduce costs and expedite time to the billing and review stages, for maximum efficiencies. In response to client requests for user friendly online access for review, ESI became CT Summation’s sole CaseVantage distributor in Canada and enables firms to outsource [data hosting](#) on Canadian soil in an already familiar interface. With client needs in mind, ESI is always searching for additional methodologies to help clients by minimizing infrastructure outlay, outsourcing huge datasets and aiding collaboration using a nimble consultative environment.

About [ESI Specialists Inc.](#):

ESI Specialists Inc. is a team of e-discovery professionals with years of electronic discovery and litigation support readiness experience. The primary focus of ESI is the customized and unbiased capability of providing clients with the optimal advice and/or methodology for pre-discovery, forensic services, litigation support processing, electronic document management, production and data hosting to meet the demands of either a court or a regulator.
